LRGV-AIA, APA, and ASCE invite you to the  
18th Annual Building Communities Conference.

Times are tough, budgets are tight, and you need sales. Tradeshow sales beat both advertising and direct mail in terms of comparative spending. In an ideal world, your customers would come to you...without the time and expense of unproductive sales calls, follow-ups, and closed doors. The Building Communities Conference is a magnet for the clients you want to meet. Shouldn't you be there too?

The Building Communities Conference and Trade Show attract architects, contractors, engineers, interior designers, planners, and landscape architects from throughout the state of Texas and beyond. They come to learn about new trends, to make plans to leverage those trends, and to buy your products and services in order to help make those plans a reality.

We will launch the Exhibits at the *¡Expo Fiesta!*, and invite you to be our guest and attend any of the educational seminars at no additional cost. You will have the opportunity to play in the Annual RGV Reprographics Golf Tournament for an additional fee.

Bring your family and business associates with you and enjoy a fun-filled beach weekend while you market your products and services at the most enjoyable trade show in a relaxed South Texas Coast atmosphere.

- Over 300 attendees including architects, engineers, contractors, interior designers, and landscape architects.
- Free educational seminars; have additional direct contact time with potential clients.
- Great entertainment and parties at the convention center and throughout the island..
- Socialize and network during the trade show's *¡Expo Fiesta!* and Lunch with Exhibitors.
