Re: **LRGV-AIA Scholarships**

The Lower Rio Grande Valley - AIA Chapter is proud to offer its annual scholarship. Once again, our National AIA Chapter is matching our local AIA Chapter funds. This year we are offering up to \$2,000 in scholarship money to deserving students for continuing education in architecture at an accredited university. Please fill out the enclosed application and return it, along with your written and graphic materials as **pdf files no later than Friday, July 16, 2010**.

Each applicant must be attending an Architectural School at an accredited university recognized by the N.A.A.B. (National Architectural Accrediting Board) to be considered for this scholarship. A list of these schools may be accessed from our website lrgvaia.org.

If you have any questions or need additional information, please feel free to contact Carmen Pérez García, LRGV-AIA Executive Director, at 956-994-0939.

On Behalf of the LRGV-AIA, I would like to extend our gratitude for participating and wish all applicants the best of luck.

Sincerely,

Marta Salinas-Hovar, AIA
